OFFICE OF PETITIONS

In re Application of Darke Application No. 10/517,329 Filed: December 9, 2004 Attorney Docket No. 2733.18US01

Letter Regarding PTA

This is in response to the "PATENT TERM ADJUSTMENT LETTER OF CANDOR AND GOOD FAITH," filed June 11,2007. Applicants disclose that the correct date of entry into the national stage was December 11, 2004 not December 9, 2004. Accordingly, applicants assert that the correct PTA must be two less days.

The request for correction of the patent term adjustment (PTA) is **GRANTED**. The Office will sua sponte adjust the PTA determination at the time of the notice of allowance to reflect an actual determination of one hundred days not 102 days.

Patentees are given thirty (30) days from the mail date of this decision to respond if they disagree with the decision. No extensions of time will be granted under § 1.136.

Applicants assert that the Office may have erred in granting too much because the applicant entered the national stage on the 30 months from the earliest claim priority. Applicants believe that the amount of PTA awarded under 37 CFR 1.702(a)(1) is not accurate.

Applicants arguments are persuasive. A review of the file reflects that the national stage requirements were fulfilled on December 11, 2004. See Notice of Acceptance of Application under 37 CFR 371 and 37 CFR 1.495. Accordingly, the Office should have granted 131 days for the failure to meet the requirements of 37 CFR 1.702(a)(1). It is further noted that applicants delayed under 37 CFR 1.704(b) by a period of 31 days for the submission of the response to non-final action received by the Office on October 23, 2006. Accordingly, the correct amount of PTA at the time of the mailing of the notice of allowance is 100 (131-31=100) days.

As this letter was submitted as an advisement to the Office of an error in Applicants' favor, the Office will not assess the \$200.00 application fee under 37 CFR 1.705(b). The Office thanks applicants for their good faith and candor in bringing this to the attention of the Office.

¹The delay began on February 12, 2006 and ended on June 22, 2006.

²The delay began on September 22, 2006 and ended on October 23, 2006, a 31 day delay.

After mailing of this letter, the Office will forward this application to the Office of Patent publication for a prompt issuance of the patent.
